KRUGER'S CAPITAL ON WHEELS: VIEW OF THE RAILWAY SIDINGS AT MACHADODORP.

On the 7th June, 1900, the Government of the South African Republic issued an extraordinary proclamation whereby Machadodorp was established as the capital of the Republic. The Machadodorp card, a provisional postal stationery card was printed by the State Printing Works in the Field, which consisted of a printing press housed in the train carrying the government's archives from Pretoria. This train, along with other trains was shunted onto a branch line at Machadodorp station and from these trains the Government of the Republic functioned until the middle of August, 1900, when it moved to Barberton.
