MAJOR INTERNATIONAL PUBLIC STAMP AUCTION

Saturday 22nd September 2018

commencing 1pm

following the Jim Shaw Public Auction at 10.30am

West Plaza Hotel, Wellington, New Zealand

Welcome to our 33rd sale. This bi-annual auction should prove to be amongst the best that we have held as similar to last year's sale, it comprises over NZ\$1.6 million of estimates. We are honoured to feature stamps from several major collections of outstanding quality:

- 1906 1d Claret Christchurch Exhibition mint x 2, MUH x 1.
- 1906 1d Claret Christchurch Exhibition finest used on cover.
- The most extensive offering of Great Britain 1d Blacks, including mint and many entires.
- Full Face Queens from 3 collections including Lindsay Chitty's Gold Medal collection
- Over 250 collections.
- Good postal history including FFQs, WWI and WWII.
- Amazing China 1970s complete sheets.
- Overall the property of 170 vendors.

We are certain that there is something for everyone in this sale.

We urge collectors planning to attend this sale not to leave their viewing until the day of the sale as not too many people can view the same item simultaneously – so come on the Friday – or arrange to view prior to Wednesday 19th September at our premises in Otaki! We are only 20 minutes from Paraparaumu Airport and ten minutes from Waikanae commuter railway station. We can pick you up from either! (By appointment only).

Like last year's sale we expect a huge interest with a large number of room bidders. My thanks go to Chris Burt, David Smitham, Alan Jackson, Maree Malin, Ken Markham and Simon Smelt, who have produced another great catalogue for our 33rd sale, ably assisted by our office staff of Jan Macdonald, Kirsten Fulford, Keren Malin, Paul Stark and Jane Smelt. We look forward to your participation in this sale and wish you well with your bidding.

ANTARCTIC EXPD. cds JA 18 13 (1st day of use of the ½d). This was the day after the arrival of the "Terra Nova" at Cape Evans on its 2nd relief trip, when the relief party first learned of the death of Captain Scott & his companions. Expedition embossed monogram on flap (penguins on globe). Only 47 FDCs were dispatched in this mail, all addressed to family or friends of expedition members or to officials or politicians in NZ or GB. This number represents less than 2% of the total ½d stamps printed (2400). Probably only a small proportion of the FDCs dispatched have survived intact. The top right hand corner of the front of this cover (bearing the stamps) has at some time been torn off and subsequently fixed back in place. Light overall soiling. With original contents: typed message on expedition notepaper signed by Francis Drake, the expedition secretary & acting postmaster. The consignment of ½d stamps (1940 in all) had been handed over to Drake on the Terra Nova at Lyttelton on 6 Dec 1912 by the addressee on this cover. Rare, historic and significant item.	\$2,500
